

**Division of Applied Mathematics
Brown University
Position in Applied Mathematics**

The Division of Applied Mathematics seeks applicants for a tenure-track or tenured open rank position. Areas of emphasis include scientific computing and systems biology. The starting date for the position is July 1, 2010. Postdoctoral experience as well as good communication and teaching skills are required.

To apply for this position, please visit

<http://www.mathjobs.org>

and submit the relevant materials (AMS cover sheet, curriculum vitae, a concise description of research interests and goals, representative preprints and reprints, and at least 3 letters of recommendation for tenure-track applications or a list of 5 potential letter writers for applications for a tenured position) online.

Alternatively, applications can be sent to

Attn: Faculty Search
Professor Paul Dupuis, Chairman
Division of Applied Mathematics
Brown University
PO BOX F
Providence, RI 02912, USA

To receive full consideration, complete applications should be received by November 7, 2009. Applications received after this date may still be considered at the discretion of the search committee.

Brown University is an affirmative-action/equal-opportunity employer.
Women and minorities are encouraged to apply.
