

3rd Annual Brown Mathematical Contest for Modeling

Sponsored by the Division of Applied Math and the SIAM Student Chapter at Brown

Win
cash prizes?

Solve real
problems
using math?

Teams of 3 undergraduate students answer
questions such as:

Want to:

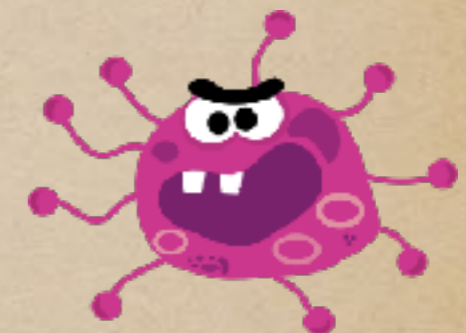

Be part of an
international
modeling contest?

Gain research
experience?

Place and design
short-term camps for
the Syrian refugee
crisis.

How do we deal with a
viral outbreak?

Then come learn more at the information sessions for BMCM

- Monday, Oct. 30th, 5:00 pm, Room 108
- Tuesday, Oct. 31st, 5:00 pm, Room 108

At 170 Hope Street (APMA building)
